

What Programs Does the Scrivner Foundation Support?

The Scrivner Foundation raises money to support the cost of public health services not covered by state and federal grants.

Especially now when budget cuts have impacted the most vulnerable of our citizens, we need your help to support these and other services.

Pregnant Women and Children

- Prevention of premature births
- Parenting skills for teens
- Case management for high risk pregnant women
- Breast feeding promotion

Adolescent Health

- Youth Board health activities
- Teen pregnancy prevention
- Healthy lifestyle choices

Scholarships

Each year the Foundation awards scholarships to students who are pursuing degrees in health-related fields.

Health and Wellness Campaign

Scrivner funding helped launch this initiative in 2008 by sponsoring a 30-day Health Challenge to get groups and organizations to work together for health. This effort has blossomed into a full-fledged partnership that operates under the guidance of Get Up and Go! Inc.

St.. Clair County Health Policy Summit

The purpose of the event is to bring community leaders together around a theme of health to collaborate on implementing policy and environmental changes to enable citizens of St. Clair County to live healthier lives. With the support of the St. Clair County Health Care Commission, Scrivner funding is blended with resources from Get Up and Go! Inc., Pioneering Health Community Initiative and other partners to support this effort.

How Can YOU Help?

The Dr. Willard C. Scrivner Foundation is a non-profit organization created to develop private funding for priority public health issues.

The Foundation works with the St. Clair County Board of Health and the community to promote self responsibility, health education, disease prevention and improvement of public health.

Your gift in any amount will help the Foundation continue to provide funding for scholarships, educational resources, client incentives and other services offered through the Foundation.

To contribute, make checks payable to the Willard C. Scrivner Foundation and mail to:

St. Clair County Health Dept.
Attn: Scrivner Foundation
19 Public Square
Belleville, IL 62220

Please include your name, address and phone number with your contribution so we may thank you!

100% of your tax deductible gift goes to programs!
